

State	Roadless Area(s) at Risk	Project Name	Activities Prohibited Under 2001 Rule:	References
Alaska	East Kuiu, Rocky Pass, and Camden Roadless Areas, Tongass National Forest	Threemile Timber Sale Current Status: Final Decision	The project calls for 20 million board feet of commercial logging on 665 acres with 8.4 miles of new road construction. Seventy-two percent of the project would be in the three inventoried roadless areas.	Documentation: http://www.epa.gov/fedrgstr/EPA-IMPACT/1999/July/Day-09/i17477.htm Contact: Corrie Boseman, Sitka Conservation Society, (907) 747 7509
Colorado	HD Mountains Roadless Area, San Juan National Forest	Northern San Juan Basin Coal Bed Methane Project Current Status: Awaiting FEIS	Approximately a dozen wells included in this project are on leases issued after the 2001 rule was issued. The BLM and FS are proposing to waive prohibitions on surface mining (No Surface Occupancy stipulations) on five of the leases in the HD Mountains Roadless Area and the proposed Archuleta Mesa Research Natural Area.	Documentation: http://www.fs.fed.us/r2/sanjuan/projects/ea/nsjb/nsjb.shtml http://savehdmountains.org/summary.htm Contact: Mark Pearson, San Juan Citizens Alliance, (970) 259-6181
	Clear Creek, Baldy Mtn., East Willow, White River, Grand Mesa Roadless Areas, Gunnison and White River National Forests	Bull Mountain Natural Gas Pipeline Current Status: Awaiting DEIS	Expansion of gas pipeline and water pipeline an additional 2.5 miles through roadless areas on the White River and the Grand Mesa National Forests.	Documentation: http://www.fs.fed.us/r2/whiteriver/projects/bull_mtn/ Contact: Sloan Shoemaker, Wilderness Workshop, (970) 963-3977
	Springhouse Creek and Battlement Mesa Roadless areas, Grand Mesa, Uncompahgre and Gunnison National Forests	Oil & Gas Leasing Current Status: Awaiting BLM response to protest	Does not contain prohibitions on surface occupancy for leases in Springhouse Creek inventoried roadless area.	Documentation: http://www.co.blm.gov/oilandgas/leasinfo.htm (August 11 Lease sale) Contact: Robert W. Randall, Esq.; Western Resource Advocates, (303) 444-1188 Ext 217

State	Roadless Area(s) at Risk	Project Name	Activities Prohibited Under 2001 Rule:	References
Colorado	Porcupine Peak Roadless Area, White River National Forest	Arapahoe-Basin Montezuma Bowl Development Current Status: Awaiting DEIS	Proposed expansion of a ski area into an 8744-acre roadless area. New ski lift construction into inventoried roadless area and construction of ATV road.	Documentation: http://www.fs.fed.us/r2/whiteriver/projects/abasin/index.shtml Contact: Rocky Smith, Colorado Wild, (303) 839-5900
Idaho	Springhouse Creek and Battlement Mesa Roadless areas, Grand Mesa, Uncompahgre and Gunnison National Forests	Oil & Gas Leasing Current Status: Awaiting BLM response to protest	Does not contain prohibitions on surface occupancy for leases in Springhouse Creek inventoried roadless area.	Documentation: http://www.co.blm.gov/oilandgas/leasinfo.htm (August 11 Lease sale) Contact: Robert W. Randall, Esq.; Western Resource Advocates, (303) 444-1188 Ext 217
	Soda Point Roadless Area, Caribou-Targhee National Forest	Three Basin Timber Sale Current Status: Awaiting FEIS and Record of Decision	Commercial Logging and road construction in Soda Point Roadless Area (80 acres of roadless logging and .3 miles of temporary road construction).	Documentation: http://www.fs.fed.us/r4/caribou-targhee/projects/deis_3basin.pdf Contact John Robison, Idaho Conservation League, (208) 345-6942 Ext. 13

State	Roadless Area(s) at Risk	Project Name	Activities Prohibited Under 2001 Rule:	References
Idaho	Beetop and Scotchman Roadless Areas, Idaho Panhandle National Forests	Rising Cougar Project Current Status: Awaiting DEIS	<p>Proposal would log up to 6,000 acres. Two-thirds of the logging (4,080 acres) would be in the Bee Top and Scotchman Roadless Areas.</p> <p>The project area could impact a Grizzly Bear Management Unit, three Old Growth Management Units, and threatened bull trout populations.</p>	<p>Documentation: http://www.fs.fed.us/ipnf/eco/manage/nepa/sptnepa/rcscope.pdf</p> <p>Contacts: Phil Hough, Friends of Scotchman Peaks Wilderness, (208) 255-2780 Mike Petersen, The Lands Council, (509) 838-4912</p>
Minnesota	Echo River, Urho Creek, and Pickett Lake Roadless Areas, Superior National Forest	Echo Trail Area Forest Management Project Current Status: Awaiting DEIS	In April 2005, mere weeks before the roadless repeal, the Superior National Forest announced plans to log 16,000 acres, and allow 84 miles of classified road, unclassified road, and temporary road construction, as part of its Echo Trail “forest management” project. Significant portions of the logging and road construction would have been prohibited under the 2001 rule.	<p>Documentation: http://www.fs.fed.us/r9/forests/superior/projects/echo_trail.php</p> <p>Contact: Joshua Davis, Sierra Club North Star Chapter, (612) 659-9124</p>
New Hampshire	South Carr Mountain RoadlessArea, White Mountain National Forest	Batchelder Brook Project Current Status: Scoping comments due 3/28/06	171 acres of commercial logging in the South Carr Mountain Roadless Area.	<p>Documentation: http://www.fs.fed.us/r9/forests/white_mountain/projects/projects/assessments/batchelder_brk/batchelder_brook.htm</p> <p>Contacts: Jim Northup, Forest Watch, (802) 434-2388 John Harbison, Sierra Club, (802) 879-3940</p>

State	Roadless Area(s) at Risk	Project Name	Activities Prohibited Under 2001 Rule:	References
New Hampshire	Wild River Roadless Area, White Mountain National Forest	Than Project Current Status: Awaiting Environmental Assessment and Decision Notice	117 acres of commercial logging and .1 miles of road construction in the Wild River Roadless Area.	Documentation: http://www.fs.fed.us/r9/forests/white_mountain/projects/projects/assessments/than/than.html Contacts: Jim Northup, Forest Watch, (802) 434-2388 John Harbison, Sierra Club, (802) 879-3940
	Jobildunk Roadless Area, White Mountain National Forest	Wildwood Project Current Status: Scoping comments due 3/28/06	552 acres of commercial logging in the Jobildunk Roadless Area.	Documentation: http://www.fs.fed.us/r9/forests/white_mountain/projects/projects/assessments/wildwood/wildwood.html Contacts: Jim Northup, Forest Watch, (802) 434-2388 John Harbison, Sierra Club, (802) 879-3940
	Kilkenny Roadless Area, White Mountain National Forest	Mill Brook Project Current Status: Scoping comments due 4/17/06	1,796 acres of commercial logging and .9 miles road building in Kilkenny Roadless Area.	Documentation: http://www.fs.fed.us/r9/forests/white_mountain/projects/projects/assessments/mill_brk_vmp/mill_brk.html Contacts: Jim Northup, Forest Watch, (802) 434-2388 John Harbison, Sierra Club, (802) 879-3940
Nevada	37 of 40 roadless areas in the White Pine and Grant-Quinn Divisions, Humboldt-Toiyabe National Forest	White Pine & Grant-Quinn Oil & Gas Leasing Project Current Status: Awaiting FEIS	The preferred alternative, Alternative 3, would open new oil & gas leases in 37 of the forest's 40 roadless areas, covering 211,897 acres, on the Humboldt-Toiyabe National Forest.	Documentation: http://www.fs.fed.us/r4/htnf/projects/archived/2005/oil_gas/ch2_alternatives.pdf Contact: John Wallin, Nevada Wilderness Project, (775) 746-7850

State	Roadless Area(s) at Risk	Project Name	Activities Prohibited Under 2001 Rule:	References
Oregon	North and South Kalmiopsis Roadless Areas, Siskiyou National Forest	Biscuit Fire Recovery Project Current Status: In litigation; auctions of contracts imminent	8,174 acres of commercial logging in the North and South Kalmiopsis Roadless Areas, Siskiyou National Forest.	Documentation: http://www.fs.fed.us/r6/rogue-siskiyou/biscuit-fire/rod/04-fs-rod-ira.pdf http://www.siskiyou.org/swrc/timbersales/logging_roadless_areas.cfm Contact: Rolf Skar, Siskiyou Project, (503) 222-6101
	McDonald Peak Roadless Area, Rogue River-Siskiyou National Forest	Mt. Ashland Ski Area Expansion Current Status: In litigation	Clearing of 41 acres of the McDonald Peak Roadless Area for ski runs.	Documentation: http://www.fs.fed.us/r6/rogue-siskiyou/projects/decision/mtashlandski/index.shtml#decision Contact: Rolf Skar, Siskiyou Project, (503) 222-6101
Utah	Forest-wide, Uinta National Forest	Oil and Gas Lease Analysis Current Status: EIS in development	The lease analysis will cover 778,000 acres, nearly all of the forest except for designated wilderness areas and privately held mineral resources around Strawberry Reservoir. 528,000 of those acres lie within inventoried roadless areas.	Documentation: http://a257.g.akamaitech.net/7/257/2422/01jan20061800/edocket.access.gpo.gov/2006/E6-1397.htm Contact: Kevin Mueller, Utah Environmental Congress, (801) 466-4055
Wyoming	Telephone Draw Roadless Area, Shoshone National Forest	Wiggins Fork Vegetation Treatment Project Current Status: Awaiting decision	5 miles of road-building and 309 acres of commercial logging in the Telephone Draw Roadless Area.	Documentation: http://www.fs.fed.us/r2/shoshone/projects/planning/forest_projects/new_forest_projects.shtml Contact: Liz Howell, Wyoming Wilderness Association, (307) 672-2751

State	Roadless Area(s) at Risk	Project Name	Activities Prohibited Under 2001 Rule:	References
Wyoming	Lake Alice-Commisary Ridge and Nugent Park-Hams Fork Roadless Areas, Bridger-Teton National Forest	Middle Ridge Project Current Status: Scoping finished; awaiting CE or EA	167 acres of tree cutting and 1 mile of road construction	Documentation: http://www.fs.fed.us/r4/btnf/projects/ Contact: Liz Howell, Wyoming Wilderness Association, (307) 672-2751,
Washington	White Pass and Goat Rocks Adjacent Roadless Areas, Gifford Pinchot National Forest	White Pass Ski Area Expansion Current Status: Awaiting FEIS	Proposed new lifts, .3 miles roads, and 767 acres of clearing for ski trails in roadless areas.	Documentation: http://www.fs.fed.us/r6/wenatchee/planning/white-pass/ Contact: Tom Uniak, Washington Wilderness Coalition, (206) 633-1992 Ext. 102
